

## SuperKids Training and Mentoring Program

### Traveling to STAMP

#### Dear Families Traveling to STAMP,

If you and your child/ren are traveling to STAMP, we can provide some suggestions for places to stay and visit

Special places to visit include the NASA Space Center; the Houston Museum of Natural Science; great shopping at Houston's Galleria or the Premium factory outlets and special restaurants. You may want to consider traveling to Austin or Dallas. Both these cities are within 3 hours from the STAMP location and offer many attractions. You may wish add a few extra days to your trip to visit these or other places.

*We ask that you do not plan to take your children on family trips during the time STAMP is in session from July 24 to 30.*
