

SuperKids Training and Mentoring Program

Welcome to STAMP!

We look forward to meeting you this summer in Texas. Our team has been working hard to plan for your STAMP experience.

There will be many exciting, fun and entertaining activities for you. You will meet new friends from the area, throughout the United States and internationally. And, you will also visit area attractions.

The great news is STAMP is just the beginning. At the end of the 8-days, you can continue to enjoy and build new friendships throughout the year through a secured website. We will also have special events during the year.

On behalf of the International STAMP team of trainers, we welcome you.....

See you in July!
